BMD CPO Futures Settle Down

Crude palm oil futures at Bursa Malaysia Derivatives settled down on Wednesday amid talk of strong April production. The benchmark July CPO contract settled at MYR1,473 a metric ton, down MYR9 from Tuesday after moving between MYR1,471 and MYR1,489/ton. CPO futures were higher in mid-day on account of stronger soyoil futures overnight on CBOT. However, prices fall later on with anticipation of April higher production and decline in crude oil prices. There was lack of fresh bullish news in the markets. Participants booked profit from recent gains, Market had gone up in last couple of week on account of biodiesel demands and better export figure..
