- **Mustard Meal Showing weak to average tone.**

## DOMESTIC MARKET

### Soy meal

Soy meal sentiments remained firm with rates remaining range bound except on ports. The stock for export purposes is reported to be sufficed by Export Oriented Units [EOU] whereas domestic units hold proportionate share for consumption at domestic and marginal share for export front. The domestic demand is said to be firm and is likely to increase by November with demand from animal feed industry as well. Manufacturers are selling off meal stock on account of coming holidays. On export front again, Indian soymeal is offered at competitive prices so as to attract buyers from abroad [UAE]. South Korea had already booked the consignment this week from India. The Soybean meal export jumped from 721,900 tons to 975,975 tons. Vietnam has become largest importers of Soybean meal and imported over 325,000 tons. China mainly imported Soybean meal to a tune of 79,800 tons as per Solvent Extractors Association of India.
