#### Rape/ Mustard Meal

As per official release of oilmeal export data from Solvent Extractors Association of India, the export of rapeseed meal for month of December declined by 7% in comparison to exports during November 2006. Except for locally available meal obtained from mills across mustard growing regions, sentiments for DOC remained steady and rates range bound. Normal to weak demand from animal

feed industry have had its affect felt on domestic demand. Weak demand for edible oils in general prompted for overall weakness in oilmeal sentiments. Industry sources state that, animal feed industry has opted locally available rapeseed meal instead of DOC due to its easy availability and relative cheapness as compared to DOC. The DOC prices at Kandla were quoted at Rs 4800 - 4850 in (PP bags) and in Mundra it is offered in a range of Rs.4900 - 5000. At Jamnagar it is offered at Rs.4800 - 4900. At Jaipur market the rate quoted stood at Rs.4100- 4200 per ton. The rates offered at Kota stood at Rs 4200 per ton.
