

**Oil Meal Fundamentals:**

Oilmeal prices surged on bullish international oil and fats market on Monday. *The soy meal FOR, Kandla was quoted slightly higher at Rs17000-17200/MT compared to Rs16800-17000/MT the previous day quotes. Currently, slow-down in soy meal export sales featured and shipments are lower as compared to the last season. The overseas buyers are in wait and watch situation and are closely following the South American and US market for price discovery. However, we feel Indian soy meal prices to get competitive as compared to the South American soy meal prices with expected improved domestic crushing amid likely rise in seasonal edible oil demand.*
