

Pulses Domestic Fundamentals:

- All the pulses featured a steady to slightly firm tone amid lower arrivals ahead of Dewali festival.
- Masoor and chana prices surges on support of higher MSP for this rabi season. The rise in MSP would support the rise in all pulses in near term.
- The Cabinet Committee on Economic Affairs today approved MSP for rabi 2011-12. The MSP for both masur and gram has been fixed at Rs.2800/Qtl. The MSP of gram is been increase by Rs.700/Qtl from last year's MSP while masur MSP has increased by Rs.550/Qtl.
- However, thin trading activity reported during today's trading session. Most of the markets remain closed.
- In tandem with surge in Tur (Burmese Lemon) prices at Mumbai domestic market, International (C&F quotes) also rise by \$ 15/ MT due to renewed festival and in anticipation of lower expected production this year.

Pulses International Fundamental:

- As per the latest updates from Canadian Grain Commission, 380,700 MT field peas are exported in September.
- As per the latest updates from Government of Alberta, this year green pea prices surge to \$ 9.05/Bushel as compared to last year's \$ 6.44/bushel while yellow peas rise to \$ 8.7/Brushel from the last year's \$ 5.79/Brushel. Meanwhile, lentils are traded at \$ 0.28/lb as compared to last year's \$ 0.33/lb.

Outlook: festival demand for pulses might support the pulses prices in coming days.

Indicative International Prices (C&F, \$/MT): October 27, 2011
