

Sugar & Gur Domestic & International Fundamentals:

- Sugar prices have declined in various sugar spot markets on Friday owing to higher sugar quota for • December month. Also, extension for duty free sugar imports till March will restrict the prices to surge.
- Government has extended zero duty on sugar imports (Raw and white) by four month until March 31. Earlier • notification for zero duty on sugar imports was expired on 30th November. Government takes this decision to curb further hike in sugar prices.
- Gur prices are declining continuously in Muzaffar nagar market due to sluggish demand. Traditional buyers of • gur from UP like Rajasthan and Gujarat are buying gur from MP and Maharashtra market.
- Around 11% recovery of gur from cane has been witnessed in UP. •

Outlook:

Sugar prices are moving range bound with weak tone as profit booking came from higher level. Also, higher sugar quota for December kept the sugar prices downwards.
