

**Oil Meal Fundamentals:**

Soy meal, FOR – Kandla was quoted lower at Rs 42,000/MT compared to Rs 42200/MT previous day. Again, no major activity reported at Indian ports in soy meal. India will not be able to commit the soy meal exports in a large volume for medium-term due to the lean season in soybean and eventually fall in crushings. As per, International Grain Council (IGC), the global soy meal trade is expected to be at 57.2 MnT during the next marketing season.

**Spot Market Watch**
