

Oilseeds Domestic Fundamentals:

Soybean (plant delivery, Indore) prices edged-up supported by good buying activity in cash market and firm global oil and fats market, Thursday. The soybean arrivals in Madhya Pradesh have slightly improved to 12,000 bags compared to 10,000 bags reported on Tuesday. Besides, RM seed prices firmed-up in line with soybean.

International Oilseeds Fundamental:

China, the world's largest soybean importer, bought 5.87 million tonnes of soybeans in July, up 4.4 percent from 5.62 million tonnes in June, figures from the General Administration of Customs of China showed. Imports of vegetable oils in July were 730,000 tonnes, up 35.2 percent from the previous month.

Outlook:

Soybean plant delivery price at Indore is expected to slightly ease by Rs20-30/Qtl on slight fall in domestic edible oil in conjunction with slight global pressure in near-term. With improving weather conditions in US mid-west and higher estimated MPOB palm oil stocks will pressure the domestic oils and fats market.
