

Onion Fundamentals:

- There is good demand for Red variety onion of Rajasthan in Delhi and Punjab.
- Prices in Pimplagaon and Lasalgaon are depressed due to poor quality arrivals.
- As per conversation with trader in Jalandhar, farmers who have stocked good quality of onion might get good return in coming months whereas farmers who have stored poor quality onion with them might be forced to sell as rise in mercury will deteriorate the crop.
- Prices in delhi have come down due to lesser arrivals from Nasik side onion and higher supply of Red variety onion from Rajasthan.
