

Onion Fundamentals:

- In Delhi onion is coming from Rajasthan, which is of red dark red colour. Onion from Rajasthan has less shelf life as compare to other region onions.
- In last few days prices of onion in Delhi market have shown continuous rise, which are moving at an average Rs6/kg. The reason behind high prices is that the arrival has fallen.
- Prices of onion are on peak in the month of diwali. After that prices fall because low quality onion is available in market.
- Onions from Nasik side are fetching highest prices because of high quality and secondly their shelf life is high.
- In Lasalgaon APMC of Nasik district, daily arrivals have fallen from 20000 Qtl to 17000 Qtl on 6th June. In fact in other major mandis like Piplagaon, Indore, Pune, Bangalore and Mumbai arrivals fallen yesterday.
