

Onion Fundamentals:

- In Bhavnagar (Gujarat) onion is coming from local region 'mahuva' only. As per trader 'Red' variety onion is fetching higher price compare to 'White' variety onions which are being traded between Rs6/kg and Rs 7.5/kg respectively. Demand of 'White' variety onion is high by industries for processing and dehydration.
- In Pune average prices has increased from Rs700/quintal to Rs750/quintal. The increase in price is due to the high quality of onion which is getting released in market. The major demand comes from Kolkata, Bhubaneswar and other Eastern regions.
- In Bangalore market today 84% onion came from Maharashtra region and rest 16% was from local region. As per the trader, low arrival from local region is because of the farmers who have stocked the onion in hope of high prices in future. As per the trader prices are expected to decrease in near future because all of a sudden arrivals are likely to increase in market which will result in low prices.
