

Onion Fundamentals:

- In Indore, locally produced onion is arriving in the market. This local produce will be available till September-October. Prices are currently hovering between Rs 450 to Rs 500/ quintal but are likely to increase in the coming days.
- In Delhi's Azadpur market, onion is mainly coming from Madhya Pradesh and Rajasthan which are contributing 70% and 30% respectively to the total arrival. As per a trader, prices are expected to remain firm till mid of August.
- As per the State Agriculture Department of Andhra Pradesh, so far 20% of onion sowing is completed as compared to 36% at the same time last year. This delay in sowing is due to late arrival of monsoon.
- Meanwhile, retail prices are hovering in the range of Rs. 500-1500/Qtl. The highest prices were recorded in Trivandrum followed by Guwahati and Chennai at Rs2000, Rs1800 and Rs1600 /quintal respectively.
