

## Onion Fundamentals:

- In Lasalgaon and Pimplagaon prices are steady and ranging between Rs 500/ quintal- Rs 600/ quintal. As per trader prices are likely to increase because of rain Nasik, Ahmednagar and Pune which may lead to decrease in arrival in Mandis.
- In Gujarat, only 10 % of last year's Kharif area has been sown so far. As per trade sources, if it rains in August and September, than 50%-60% of last year's area would be covered. Now sowing completely depends upon the rainfall.
- In Indore market, onion is mainly arriving from local regions. Major demand for Indore side onions is from North India, especially Delhi and U.P. Prices are moving in the range Rs 500/quintal to Rs 700/ quintal. As per traders, prices are expected to touch Rs 800/quintal in the next coming days.
