

Onion Fundamentals:

- In Lasalgaon, prices are hovering in the range of Rs 600 to Rs 750 / quintal. According to trade sources, prices are low because stocked onion is getting spoiled as rain is falling there. The other reason is that traders are not getting the NOC for exports from administration though the MEP has completely removed.
- According to trade sources, onion prices are likely to rise to Rs 14 –Rs 15/ kg from current levels of Rs 6- 10 per kilo in the Azadpur wholesale market in Delhi after August. Last year at this time onions were selling near Rs5-6/Kg in Azadpur Mandi.
- According to trade sources in Andhra Pradesh, total kharif sowing is completed by 60 % as compared to last year's 70% sowing. Total Kharif area for onion in Andhra Pradesh is approximately 25000-30000 hectares.
