- According to trade sources in Hyderabad, on a daily average approximately 70-90 trucks (10 ton each) arrive in market. Prices are likely to increase in a couple of days.
- In Belgaum (Karnataka), onion is coming from local region (Bagewadi) and from Maharashtra which are contributing 45% and 55% respectively. According to trade sources, local onion will be available in market for next 2-3 weeks after that new crop is likely to arrive in market.
- In Ahmednagar (Maharashtra) both the arrivals and prices have declined by approximately 10% and 30% respectively compared to last 2-3 days. The decline is due to rainfall and low quality of crop in market.
