

## Onion Fundamentals:

- In Bangalore, arrivals are constantly moving around 22000 quintals to 23000 quintals from last three days whereas prices have fallen to Rs 850/quintal from Rs 950/quintal. The reason behind high arrival and low price is that local produce onion is arriving in market.
- According to trade sources, newly-harvested crop is now available in Karnataka and Andhra Pradesh. Southern states are also Supplying to West Bengal and Orissa, replacing the Maharashtra onion, which has also affected the decline in prices in Maharashtra state.
- In Lasalgaon, arrivals have fallen to 7000 quintals per day from 8500 quintals per day in last 3-4 days because of low demand and stable prices. At present prices are hovering in the range of Rs 475/quintal to Rs 500/quintal.
