

Onion Fundamentals:

- According to trade sources, ongoing strike between maparis and traders of Lasalgaon & Pimplagaon is resumed from Monday as farmers were suffering as they were not able to sell their produce.
- In Mumbai, prices are stable from last one week and hovering around 700- 750/ quintal as compared to last year's approximately Rs 900/ quintal at the same time. The reason behind low prices is arrival of low quality onion in market.
- In retail market, prices of onion are hovering in the range of Rs 850- Rs 2000/ quintal. Maximum prices were seen in Guwahati, Gangatok and Srinagar at Rs 2000, Rs 1900 and Rs 1800/ quintal. Fresh Onion is arriving in market from Andhra Pradesh and Karnataka.
- Approx, 70-75 % of fresh onion from Karnataka and Andhra region is harvested.
- In Delhi, prices have increased to Rs 1150/ quintal from Rs 950 /quintal in last 3-4 days irrespective of higher arrivals. Prices are likely to increase ahead once good quality onion start coming in market.
