

Onion Fundamentals:

- In Lasalgaon, average modal prices have touched Rs. 1400/Qtl on the weekend which was hovering around Rs 1000/ Qtl during last week. The reason for this could be lower supply and pimplagaon mandi was closed on Saturday. This week will be crucial to watch onion price movement.
- Onion prices have increased in some of consuming centers like Delhi due to lower arrivals of producing regions as some of mandis were closed due to Bakri-ID and weekly closing.
- Wholesale prices in Azadpur Mandi of Delhi have touched Rs. 1700 on Saturday. Earlier prices were trading in the range of Rs. 1000-1200 in last week.
- In fact prices in last one week spiraled more due to festival season and truckers were off the road.
- The difference between low and high prices in wholesale mandi have widened due to poor and good quality onion.
