

Onion Fundamentals:

- Arrivals of onion in wholesale mandis have increased substantially after price increased last week. In Delhi, arrivals on 29th Oct were 30000 qtl which was highest in last 3 months. Prices have reached to Rs. 1700/qtl last week due to lower supply from producing region.
- Similarly in Bangalore also arrivals increased to above 50000 qtl from 27000 qtl in one day. However, there was no much impact on prices front which suggests good consumption demand.
- In Lasalgaon, average modal prices are hovering near 1400/qtl from last two. This week will be crucial to watch onion prices and arrivals in major mandis.
- In fact, prices in last one week spiraled more due to festival season and truckers were off the road.
- Meanwhile retail prices are hovering in the range of Rs. 1000-2000/Qtl in different markets
