

Onion Fundamentals:

- According to trade sources, wholesale prices in Chennai hovered above Rs 2,000 per quintal with retail prices between Rs 2600-3000/ quintal.
- In Delhi, the price of onion in retail market ranged between Rs 20-25 per kg. According to trade sources, difference between retail and wholesale price is approximately 100%-150% which means consumer is paying almost double in retail market.
- In Delhi, wholesale prices are around Rs 1100/ quintal which is almost 60-70% higher compared to previous year whole sale prices at same time. This increase in price is due to less production in kharif season because of less rain this year.
- In Lasalgaon, arrivals are hovering around 10000-14000 quintals in last 2-3 days but average prices have increased to Rs 1250/ quintal from 1140/ quintal.
