

## Potato Fundamentals:

- In Delhi, potato from Shimla and Haldwani will start coming from 10<sup>th</sup> June onward and will continue till next month.
- Potato arrivals in Delhi and Mumbai have fallen today due to All India strike. Arrivals are expected to increase in coming days.
- In Samastipur (Bihar) there are 20 cold storages from where around 10% of potatoes have released in market till now. Last year the cold stores were open from July month.
- As per the trader, consumption of potato is less in summers but once monsoon arrives consumption is started to increase.
- Arrivals in major market are less because traders /farmers are not releasing the potato from cold storage in expectation of high prices in future.

## Technical Analysis - Potato- June Contract at MCX

Very less participation is seen in futures market as visible from range bound movement and low volumes. Markets are consolidating near 1050-1060 range. Prices are still trading below its 9-day and 18-day simple moving average which indicates Bulls could not able to rule over Bears.
