

## Potato Fundamentals:

- In Delhi after one week potato from different parts of Himanchal Pradesh and Uttarakhand will be in market.
- In Sambhal (U.P) there are 15-16 cold storages from where sugar free potato is highly demanded.
- Indore which produces high quantity of potato doesn't demand from outside because its cold storage is sufficient for them
- As per the trader from Khaundali prices are supposed to rise in next week as because of less supply in market. Demand from Bangalore and Belgaum is not much because their local produced potato is in market.
