

Domestic Fundamentals:

- Steady to firm sentiments featured in the domestic edible oil markets on buying support.
- Besides, firm global factors, persistent *Ramadan and Onam* buying continued to support the market.
- Refined soy oil firmed-up while palm oil featured steady to firm tone, refined sunflower oil mostly stood steady and mustard oil mostly stood firm Saturday.
- Edible oil basket may trade sideways to slightly firm in the coming days followed by ongoing festive demand.

International Market Fundamentals:

- As per Ganling plantation advisory firm, world palm oil production for 2012 seen at 45 million tons, up 5 percent compared to the previous year which is below than average rate due to tepid output in Malaysia and Indonesia. Moreover, developing El Nino weather pattern over Southeast Asia could lead to lower yields and may lift palm oil prices in medium term.

Outlook:

We expect edible oil prices to stay steady to firm on festive demand in near-term.
