In Maharashtra wheat has been sown in 3, 79, 398 hectares so far, which is 39.3 % of the Normal area. Last year at the same time wheat was sown in 4, 09,616 hectares. - Government favors hiking Wheat MSP as per latest update, the Union Cabinet is considering proposals to hike Minimum support price of wheat and export quota to ease pressure of bulging food grain stock. The agriculture ministry has proposed wheat MSP Rs1400/Q for 2013 as compared to Rs 1285/Q for 2012. If MSP is increased the sown area might increase as farmer will be getting more remuneration for their crop.
- According to Traders wheat crop might be 20% less in Gujarat and 80% less in Saurashtra region due to lower availability of water. Wheat area might shift to Chana and Mustard in Saurashtra region.
- Agriculture Minister Sarad Pawar is trying to ensure higher price for wheat farmers next season either by higher MSP or through bonus. The government had rejected the recommendation of the Commission for Agricultural Costs and Prices (CACP) to freeze the MSP of wheat at last year's level of Rs 1,285 per quintal. Resultantly, the CACP had revised its recommendation and suggested a bonus of Rs 40 per quintal subject to liquidation of 15 million tonnes of wheat by April 2013.
