

Onion Fundamentals:

- In Indore, prices are irrespective of the arrivals which are currently hovering in the range of Rs 500 to Rs 900/ quintal. The reason is locally produced onion is arriving in market so prices are low and range bounded as compared to other markets.
- In Lasalgaon, modal prices have increased to Rs 975/ quintal from Rs 781/ quintal in last few days amid lower arrivals as farmers have stocked onion in expectation of high prices in coming days.
- In Bhavnagar (Gujarat), prices are hovering in the range of Rs 450 to 1050/ quintal and arrivals have declined from last few days.
- In Delhi, onion is arriving in market from M.P and Rajasthan. Prices are hovering in the range of Rs 700 to Rs 1200/ quintal and maximum prices are being fetched by M.P region onion.
