

Onion Fundamentals:

- In Delhi market there is no parity for 'Lasalgaon' onion as its modal prices are ruling at Rs 1150/ quintal. So traders in Delhi prefer onion from Rajasthan and M.P.
- According to trade sources in M.P major demand is coming from South India. As monsoon has arrived and local crop is over so they are buying at any price. In Indore prices are continuously increasing from last few days and hovering in the range of Rs 700 to Rs 1500/ quintal.
- In Nashik, modal prices have increased to Rs 1600/ quintal from Rs 1250/ quintal in last 4-5 days because of high export demand from Middle East and South East Asia.
- In M.P, arrivals has declined because of pre monsoonal rains farmers are taking their crop to markets. The other reason is farmers are busy in sowing soyabean crop instead of selling onion crop in market.
