

Onion Fundamentals:

All India, onion arrival in 1st week of July is approximately 22% less compared to previous year total arrival during the same time. Wholesale prices in Lasalgaon and Pimpalgaon have ranging between Rs. 1600-2000/qtl depending upon the quality of onion.

- Large farmers and stockiest are releasing onion into market slowly in anticipation of higher prices in near future.
- Retail prices in most of the cities have reached near Rs. 25-30/Kg due to lesser arrivals of onion in market and higher prices of other green vegetables.
- According to news source, Srilankan Govt has increased import duty on big onions from Srilankan rupee 15 to 30/Kg (1 srilankan rupee=0.46 Indian rupee). This step is taken to discourage import of big onion in the market and to ensure reasonable price for local growers.
