

## Onion Fundamentals:

- In Lasalgaon (Maharashtra), prices of onion have fallen down due to fear in traders that central government may impose ban on export of onion.
- In Indore, prices have increased by approximately 15% in last one week and modal price is around Rs 1666/ quintal whereas arrivals have fallen down by approximately 3%.
- In Belgaum (Karnataka), onion is arriving in market from local region (Basant Bagewadi) and Maharashtra which are contributing approximately 15% and 85% respectively to the total arrival.
- According to trade sources in Maharashtra generally 70% of crop is left in Maharashtra during this time but due to lesser production this year only 30% of crop is left. This is the main reason for rise in prices.
