

## Onion Fundamentals:

- In Delhi, retail prices are around Rs 5500/ quintal whereas wholesale modal prices are hovering around Rs 4500/ quintal. The prices have increased in wholesale market because of lower arrivals in market.
- Across the country, maximum arrivals are arriving in Bangalore. This is due to fresh crop arriving in market from 'Chitradurga' district which is contributing approximately 50-60% to the total fresh arrival.
- In Lasalgaon and Pimpalgaon, prices of onion have increased to Rs 4150/ quintal each respectively. This is mainly due to lower arrivals in market as traders and farmers are stocking the onion in expectation of higher prices ahead.
- In Indore, arrivals have fallen as farmers are not bringing their stocked crop in market as of heavy rains from last two days.
- According to news sources, National Agricultural Cooperative Marketing Federation (NAFED) have floated tender to import onion.
