

## Onion Fundamentals:

- Auction in Lasalgaon and few markets like Niphad and Vinchur in nasik district is halted by APMC as traders refused to accept new norms. Presently, weighing charges are Rs 2.68 per quintal and portorage Rs 2.12 per quintal. Around 44% increase has been made in the existing weighing and portorage charges under the new norms. Furthermore, Rs 10 is charged per tractor loaded with onion on electronic weighing bridge owned by traders as well as APMCs.
- In Indore, arrivals have fallen as farmers are not bringing their stocked crop in market as of heavy rains from last two days.
- In Delhi, retail prices are around Rs 5500/ quintal whereas wholesale modal prices are hovering around Rs 4175/ quintal.
- According to news sources, National Agricultural Cooperative Marketing Federation (NAFED) have floated tender to import onion.
- Across the country, maximum arrivals are arriving in Bangalore. This is due to fresh crop arriving in market from 'Chitradurga' district which is contributing approximately 50-60% to the total fresh arrival.
