

Onion Fundamentals:

- Onion supply in the domestic major market increasing day by day, as a result put cap prices at higher levels.
- New arrivals were started coming to the market from Bangalore region. Arrivals may increase till mid September.
- Auction in Lasalgaon and few markets like Niphad and Vinchur in nasik district is halted by APMC as traders refused to accept new norms. Presently, weighing charges are Rs 2.68 per quintal and portorage Rs 2.12 per quintal. Around 44% increase has been made in the existing weighing and portorage charges under the new norms. Furthermore, Rs 10 is charged per tractor loaded with onion on electronic weighing bridge owned by traders as well as APMCs.
- In Indore, arrivals have fallen as farmers are not bringing their stocked crop in market as of heavy rains from last two days.
