

Daily Sugar & Gur Fundamental Report 10th July, 2013

Sugar & Gur Domestic & International Fundamentals

- Steady sentiments prevailed in key sugar spot markets on Tuesday.
- Government today notify its decision to increase sugar import duty to 15% from 10%.
- Around 80000 tons of white sugar and 82000 tons of raw sugar has been exported in June 2013. White sugar mainly exported to Middle east countries and Sri Lanka loaded from Mundra and Tuticorin port. As far as raw sugar export is concerned, it is re-exported under ALS scheme to countries like Tanzania and Kenya from Chennai and JNPT port.
- Indian trade houses and refiners continue sugar import shipments from Brazil considering import parity
 despite of depreciation of Rupee. However, recent hike in sugar import duty from 10 percent to 15
 percent might discourage the refiners due to disparity. In addition to it, increasing sugar prices in
 International arena from last couple of weeks dampen the sugar import possibilities as expected.
- India has imported 2.74 lac tons of raw sugar in June month mainly from Brazil which is lower from 3.06 lac tons of raw sugar imported (mainly from Brazil) in May 2013. Imported raw sugar mainly landed at Kolkata and Kandla port as reported
- Steady to weak sentiments recorded for gur prices in Muzaffar nagar spot market on Tuesday.

Outlook:

Sugar prices likely to move in a range with firm tone in the coming month. Expected sugar summer demand would drive the prices upwards. Any change in sugar policies by government like hike in sugar import duty would change the direction of the sugar prices in future.
