- **Maharashtra Markets remained closed As Head Loaders on Strike-** In Maharashtra, nearly 72,000 mathadi workers (head loaders) working across the state in APMC markets, railway yards, transport industries, government warehouses and MIDC companies are on a one-day token strike on March 16. According to the Narendra Patil, Mathadi union leader and MLC, strike is against the suggested amendments in the labour policy, which are unfavorable for mathadi workers. If implemented, the companies having more than 100 workers can be arbitrarily shut down without the consent of the state government, thus rendering many mathadi workers jobless. He also says that the suggestion is come from a 10-advisory member committee having no mathadi representative. He further states that state government is deliberately trying to abolish Mathadi Act from the industrial sector.
