Government is expected to procure 5000 metric tonnes of Tur from Malawi in order to regulate the domestic prices. Tur prices have been increased by around Rs 30 per kg as compared to the prices of last year across Delhi, Kolkata and Mumbai. According to a official, government will import Tur (Arhar) from Malawi, which will help prices to cool down and the procured pulses will be provided to states from where it will be made available to people at affordable price.
