The cotton prices are at Rs.96000 per candy which had reduced by Rs. 1,000- 2,000 a candy in past few days. The Indian government on 13th April 2022 has removed the Agriculture Infrastructure and Development Cess (5 percent) and basic custom duty (5 percent) on the imports of cotton. The government has allowed duty free imports of cotton until 30th September 2022 as prices in the local market has increased because of lower production in 2021-22 season. Further, duty free imports will help textile mills to import cotton from Australia, Brazil, African countries and United States. Agriwatch expects prices to come down slightly in the short term.

Cotton Association of India has reduced its March estimate of the cotton crop for the 2021-22 season by 8 lakh bales to 335.13 lakh bales from its previous estimate of 343.13 lakh bales.
