GRIWATCH

#### **Domestic Fundamentals:**

- All the key Guar cash markets continued to remain closed due to ongoing nation-wide COVID-19 lockdown, which is extended in India till 3<sup>rd</sup> May 2020.
- The key market prices have not been updated since last 4 week,all India weekly average prices rose by 6.73 percent to Rs. 3345.71 per quintal during the week ended 30<sup>th</sup> Mar 2020. Guar seed (Cluster bean seeds) average price were ruling at Rs. 3134.60 per quintal during 16<sup>th</sup> March to 23<sup>rd</sup> March 2020. As compared to prices in the week 24-31 March 2019, the prices are lower by 14.71%. No major trading activity witnessed in Guar complex due to the lockdown.
- We expect dull trade activity in Guar seed and Guar gum markets in coming days due to two
  factors- guar gum consumption in fracking has been affected as crude oil has witnessed a sharp
  fall and the consumption in food industry is likely to be further be affected as consumption of
  processed foods declines in light of the coronavirus epidemic.
- At NCDEX Guar seed and Guar gum futures posted gains of buying support.
- As per data released by Baker Hughes, the number of oilrigs in USA has lowered by 73 to 529 as on 17<sup>th</sup> April 2020 compared to 602 in last week and down by 483 compared to 18<sup>th</sup> April 2019. Total number of oilrigs was recorded at 3085 in March '20 compared to 5113 in the corresponding period in last year. Therefore, exports are being slightly affected.
- Export of guar split has declined in the month of February-20. Exports in the month of February-20 are lower by around 40% compared to previous month. India exported around 2020 tonnes of guar split in the month of February-20 at an average FoB of \$ 1119 per tonne. Of the total quantity, around 1700 tonnes have been exported to China.
- Export of guar gum has declined in the month of February-20 by 38.27 percent compared to previous month. India exported around 14596.11 tonnes of guar gum at an average FoB of \$ 1685.40 per tonne in the month of February-20 compared to 23178.89 tonnes in January-20 at an average FoB of \$ 1710.37 per tonne. Exports are expected to decline in March-20 on weak demand in overseas markets.

**Outlook**: No major trading activities due to extended COVID-19 lockdown in India.
