Expectation of good monsoon amid increase in MSP by Rs. 90 per quintal at Rs. 1850 per quintal for the Kharif season 2020-21 and reward offering by Haryana government from water guzzling paddy crops to maize; are all good motivating factors for farmers to grow more maize for this Kharif season. International Market Commentary:

- Corn on CBOT rose by 0.98 USD/MT to 131.39 USD/MT for July'20 contract compared to previous week due to increase in demand for U.S corn for ethanol. Further, price direction depend on the demand for U.S corn.
