

### Pulses Domestic Fundamentals:

#### Today's Update:

- Ministry of Consumer Affairs, Food and Public Distribution has decided to procure 1LMT Chana and 1LMT Masur-Rabi at MSP through NCCF for PSF buffer. NCCF has been requested to submit a detailed proposal for procurement, service charges for the operations immediately. The quality of both the pulses should be of FAQ quality. The procurement may give support to cash market to some extent.

#### Previous Update:

- Lentil traded down by INR 50 to INR 5850 per quintal in Kolkata due to negligible buying interest amidst easy availability as traders are only buying according to their daily requirements. Prices are likely to move in a range with slightly weak bias due to new crop arrivals in MP and UP.

### International Market Update:

- According to Statistics Canada, Red Lentil exports from the country increased by 3% to 1,16,479 MT in February from 1,13,473 MT in January. Turkey emerged the biggest buyer with buying 1,09,862 MT Red Lentil followed by USA and Belgium those purchased 1662 MT and 837 MT respectively.
