

Masur Domestic Fundamentals:
Today's Update:

- Lentil traded at INR 5925 per quintal, down by INR 25 in Delhi while it traded flat at INR 5800 per quintal in Kolkata. Demand is pegged slightly weak due to easy availability of domestic as well as imported influx at cheaper prices. However, market prices are expected to move up by INR 100-200 per quintal in coming days as Govt's intention for buying 4 lakh tonnes of imported influx from traders may support the prices.

Previous Update:

- Given the present context of easy availability at comfortable prices, any sudden hike in prices unlikely at present but, Govt.'s intention to buy approx. 5 lakh tonnes of Lentil may buoy the current prices as traders selling interest has reportedly decreased after the report. Earlier, Govt.'s procurement target was 3.34 lakh tonnes. Lentil prices are expected to move in a range with slightly firm tone and move up by INR 100-200 per quintal in coming days.

International Market Update:

- According to Statistics Canada, Green Lentil exports from the country increased by 4% to 30,640 MT in March from 29,466 MT in February. Thus, total green Lentil export during the Marketing Year up to to March increased by 21% to 2, 45,796 MT. Morocco emerged the biggest buyer with buying 4,288 MT followed by Colombia and United Arab Emirates those purchased 3788 MT and 2547 MT respectively.
