

Masur Domestic Fundamentals:

Today's Update:

- Imported Lentil prices remained down in Kolkata and Kanpur due to lacklustre trading activities amidst plenty of stocks in local market and ports. As per sources, around 2 lakh tonnes of imported stocks are lying at various ports due to regular and higher imports done in past 3-4 months. India has imported more than 3 lakh tonnes of Lentil alone in last three months.

Previous Update:

- Govt.'s recent decision on removal of ceiling on procurement of Tur, Urad and Masur is unlikely to have any effect on prices on immediate basis owing to tight supply in case of Tur & Urad and easy availability of Masur. Yes, it would definitely encourage the farmers to sow more land under the crop due to higher prices but still ball would remain in farmers court as hectic paper work and long waiting for cash would likely to remain discouraging the farmers to sell their produce to Govt.'s entities rather they would like to sell it in open market.

International Market Update:

- According to Statistics Canada, Green Lentil exports from the country increased by 4% to 30,640 MT in March from 29,466 MT in February. Thus, total green Lentil export during the Marketing Year up to to March increased by 21% to 2, 45,796 MT. Morocco emerged the biggest buyer with buying 4,288 MT followed by Colombia and United Arab Emirates those purchased 3788 MT and 2547 MT respectively.
