

Domestic Fundamentals:

- Mentha oil June futures prices extended the bullish trend for 8th consecutive session during yesterday's trading session on back of prevailing bullish fundamentals. From opening of session futures prices started trading down taking correction on profit booking. However, later on prices resumed uptrend on fresh buying. Fresh buying started by stockiest is supporting the uptrend in prices.
- Arrival of oil is lower by 22 drums from last day.
- Farmers are slowly releasing their stock with higher prices; demand too is good in domestic.
- On May 27th 2015, 14,400 kgs of mentha arvensis oil (cornmint oil) packed in U.N. approved GI drums are exported to France via Mulund Port with value of Rs. 15,551,544.
- On 19th May 360 Kgs of ORGANIC MENTHA ARVENSIS OIL (CORN MINT OIL) exported to France Via Tuglakabad ICD. Other export destinations of mentha product observed in May were China, USA, South Korea, Taiwan, Canada, etc.
- Besides, tight stock position in the physical market on restricted arrivals from Chandausi in Uttar Pradesh supported the upside. We expect that restricted supplies from the producing region mainly pushed up mentha oil prices in futures trade
- **Domestic Market Outlook: Mentha oil futures prices are expected to continue the uptrend on fresh buying at lower levels during the day. Reports of rising buying interest among traders and exporters across the spot market are likely to support the prices to move up.**
