

Domestic Fundamentals:

- Menthol prices surged today in key markets due to lower arrivals.
- Today total arrivals of drums were 343 which were 10 drums lower to prior day as reported.
- Prices of mentha oil historically increase in October-December due to firm demand.
- Daily around 200 drums are consuming at all India level as reported.
- According to trade sources, arrivals have declined in Chandausi market. Earlier traders estimated the total production in the range of 35000-37000 tons, which is likely to be reducing to 30000 tons by traders and cultivators for the current year. As per market sources, the overall production is still 70% lower from the previous year of 50,000 tons.

Domestic Market Outlook: Recent price surge is just a recovery and there is some downside left fundamentally in mentha oil.
