

Cash soymeal witnessed steady to firm tone except slight weakness in Indore market. CBOT soymeal closed higher ahead of the G20 meet scheduled this week in Buenos Aires.

- According to the latest vessel line up data vessel with a capacity of 26500 tons has arrived on 14th November and is waiting to be berthed for exports of soymeal.
- Soybean crush margins in China turned negative for the first time since early August amid lower demand for the soymeal following an outbreak of African swine fever and higher inventories of domestic soybean.
