

Steady to firm tone featured in Soymeal spot markets after good demand from South based traders. Soymeal prices may inch up supported by good international demand. CBOT Soymeal prices are remain down on technical selling.

- Indian soymeal premium has gained towards \$89 per ton over Argentinean meal with Indian meal bullishness producing the premium rather than Argentinean meal bearishness. Such premiums is going to result very limited bookings of Indian soymeal for forward as well as spot market. Other than Iran the exports is expected to fall from March months onwards as Indian soymeal exports against forward booking is over.
