Soy Meal Fundamentals:

Todays Update- Soymeal Indore prices went down by 2% to 50,000/MT amid soymeal import. in other markets too soybean traded with steady to firm sentiments. Soymeal prices in domestic market expected to trade range bound with weak bias between 46,000-52,000 in near term tracking Soymeal import.

Previous Update

According to Solvent Extractor Association of India, oil meal export in the month of May'22 went up by 12 % to 5,55,453 tonnes compared to 2,28,319 tonnes in May'21. And reported 11% up in exports during April-May'22 at 5,89,425 tonnes compared to 5,32,024 same period last year.

First two months of current year 2022-23, export of rapeseed meal has shown a sharp jump and reported at 3,98,355 tonnes compared to 2,74,692 i.e. up by 45%. As of now, India is most competitive supplier of rapeseed meal to south korea, Vietnam, Thailand and other far east countries. However, Soymeal export is at lowest level as india is out priced in International market. Current price of Soybean meal FOB Kandla is at \$720/MT while Soybean meal Argentina CIF Rotterdam is quoted at \$532 and Brazil at \$525.

USDA in its June'22 report, India's 2022-23 Soymeal production kept unchanged at 81.6 Lakh tonnes as compared to previous year estimates and Soymeal crushing for the year 2022-23 is kept unchanged at 102 Lakh tonnes as compared to previous year.

Month ended May'22, FOB Argentina monthly average prices remained at USD 473/ MT as compared to previous month at USD 516/MT. India's FAS Kandla soymeal price went down to USD 674 /MT as compared to USD 837/MT previous month. Soymeal FAS Kandla is still outpriced to FOB Argentina by USD 201/MT compared to previous month at USD 321/MT. Usually, FAS Kandla trades slightly higher than other GM soymeal but price difference between Indian soymeal and Argentina soymeal soared to \$743 in Aug'21 and USD 670 in Sept'21. India's Soymeal export is likely to remain weak for the next few months due to non-competitive prices in global markets. However spread between SBM FAS kandla and FOB SBM Argentina is expected to shrink on correction in Indian Soymeal prices.
