

**Oilseeds Domestic Fundamentals:**

Soybean (plant delivery, Indore) prices sharply rose on firm global cues and strong domestic underlying current Monday. Higher Malaysian palm oil and firm e-CBOT remained supportive for the domestic oilseeds. Besides, RM seed prices at Jaipur also rose in tandem with soybeans. Mustard seed buying across the key cash markets by the millers and the stockists at the current price levels continued to be good. Soybean arrivals in Madhya Pradesh fell to 25,000 bags compared to 45,000 bags on Saturday. The all India arrivals of Mustard seed improved to 5.15 lakh bags compared to 5.05 lakh bags previous day. The RM seed arrivals in the Rajasthan mandis too improved steady to 3.15 lakh bags compared to 3.10 lakh bags previous day.

**International Oilseeds Fundamentals:**

There is a fresh concern over farmers strike in Argentina at crushing plants (unless the issue resolves) and strike of port workers from 1 May 2014.

**Outlook:**

Soybean (plant delivery) prices are expected to feature range-bound movement with firm bias on improved buying and bullish underlying current. The Indore (Plant Delivery) prices are expected to gain and witness 4660-4740 levels in the near term.
