

## Onion Fundamentals:

- In Lasalgaon, prices have increased in last few days because of rains which has interrupted supply of onion and led to decline in arrivals.
- In Bangalore, onion is arriving in market from local region (Gulbarga and Chitradurga districts) and Maharashtra region which are contributing approximately 50% each.
- Minimum Export Price (MEP) on onion has removed because of sharp reduction in onion prices and to boost onion export.
- In Delhi, onion crop is mainly coming from Gujarat, Maharashtra and Rajasthan which are contributing approximately 55%, 35% and 10% respectively to the total arrival.
