

## Onion Fundamentals:

- In benchmark market of Lasalgaon, prices are hovering in the range of Rs 800- Rs 1200/ quintal from last 4-5 days and expected to increase further.
- In Delhi, 50% of onion is arriving in market from Rajasthan, 30% from Madhya Pradesh and rest 20% from Maharashtra and Gujarat.
- In Indore (M.P), prices are hovering in the range of Rs 500 to Rs 1100/ quintal. Prices are expected to rise ahead because of crop loss in M.P which is approximately 10-15%.
- Storage in Maharashtra will be clear by end of May month as farmers were not ready to store much at this time due to higher water content and upper layer of onion bulb being damaged.
