

### Onion Fundamentals:

- Buyers were reported active in the domestic market, exporters demand found for good quality material.
- Onion prices likely to go up due to shortage of supply. Onion traders expect lower production amid poor quality arrivals might support the bullish sentiment in coming days.
- In Kanpur domestic market higher Onion demand coming from Assam and West Bengal region and Bangladesh.
- All India, rabi onion storage is expected to be less this year compared to previous year because shelf life of onion have declined this year to higher content of water in onion crop which was due to unseasonal rains and hailstorms.
