

### Onion Fundamentals:

- In Nashik, ongoing strike has come to an end and all the mandis are opened from today. So it is expected that prices may ease down by Rs 50-Rs 100/ quintal.
- According to trade sources this year only 3-4 months storage of rabi onion in Maharashtra is likely against the usual 5 months due to higher water content and lower shelf life.
- In Karnataka, kharif sowing has started and so far approximately 3% of total targeted area has been sown.
- In Bangalore, onion is arriving in market from Maharashtra region and local region (Bijapur) which are contributing approximately 50% each.
